26.7.22 A

Estimate, amounting to Rs 5,050 for opening out a new road between the Lalendevanhalli Flag Station and the Doranhalli village.

Submitted to the First Member of Council with reference to orders dated 20th February 1921 on this office note No.D.460 dated 17th idem.

2. In March 1921, a rough estimate amounting to Rs 5,230 as detailed in the margin for opening a road was approved and detailed estimate and plans were called for from the Superintending Engineer, Western Circle. This has now been received and it amounts to Rs 5,050. The formation of the road is estimated at Rs 3,137 while the cost of compensation for lands to be acquired comes to Rs 1,913-

Making the road.....	Rs 2,530
Land compensation....	Rs 2,700

3. The President of the District Board, Mysore District, who was addressed in the matter of funds required to meet the cost of the work states in his letter No.D2.Dis.455 of 20-21 dated 14th April 1921 that the Board have resolved to bear the expenses of making the road and he has countersigned the plans and estimates-

4. The Superintending Engineer Mr.H.D.Rice while forwarding the estimate has observed as

(1) No D 4281-22/7/1922 with its enclosures

(2) and file 503/R.

Ref. The report of the Ex Engr explains the importance of the road. There are two estimates in the file—one for a road between Lalendenahalli Flag Station to the Doddaballi village and the other for the extension of the same road so as to connect it with Bellikere - Yedatore road. The cost of the construction of these amounts to Rs 5050 & Rs 5800 respectively.

2. The D.C. had realised the importance of the first road & Lands Department the estimate while they wished to hold the second road in abeyance till funds became available.

3. Now Rice the Supdt Engr is not in favour of opening the first road & the Chief Engr wants the work to be abandoned.

12 Sivanathalli is a place of pilgrimage and more than ten thousand people congregate there in May every year to celebrate the feast of St Antony. Europeans & Indians assemble there during the festival season. Communication to the place is beset with many difficulties. The cart track is found insufficient to cope with the heavy traffic. The D.B.D. of Hyderabad have realised the importance of this road & have decided to have a road constructed & have also allotted funds from the D.C. funds in the current year's budget. Necessary survey have been made for it. It is not known under what authority the Supdg Engr is unwilling to carry out the construction of the road. The arguments of the Supdg Engr do not seem to be relevant. The Engineering dept have only to carry out the work entrusted to them by the D.B.D. If funds were provided for the 120 miles during

the current year, necessary funds could merely be provided for the 2nd work in the ensuing year. If approved, the Chief Engr may be asked to issue instructions to the Dist Engr. to carry out the 1st work pending provision of funds for the 2nd work in the next years budget.

I submitted for orders.

1/8/14 Father Tabard has been repeatedly moving the authorities to take up and get through the work in question and the Deputy Chief Engineer has sent him a reply to say that the work will be taken up in due course. Since the Dt. Board are agreeable to provide funds, it appears only right to sanction the work, particularly as the necessity for the road in question has been recognised by every one
